FOR IMMEDIATE RELEASE

**BE THE CATALYST!! YOUR DESTINY
IS HERE, AND IT'S WAITING FOR
YOU.**

*"Multi-cultural, multi-historical, and
spanning man's faith across time, The
Final Book is a controversial and
blasphemous last chapter of humanity."*

LAS VEGAS, NV, April 17- Author
Sean "SW" Hammond of Las Vegas,
announces the release of his long
awaited visionary fiction novel ***The
Final Book: Gods*** as part of Surf Star
Media's Publishing line.

In the beginning there was love. The
Goddess of Life in an elated romance
with a beloved mortal. Her sister killed
him. Their combined actions ripping a
hole in destiny and plagued mankind
with an age of unprecedented
corruption, vicious holy wars, and
religious absolution.

Hammond blends mythology, history,
and religion to create a timeless saga
of the self-destruction of man told
through the eyes of the Gods. Zeus
and his pantheon return in this modern
epic as they struggle to turn the tide of

time by sending test subjects of
Project Genesis back to key points in
history in an effort to change outcomes
and correct the future.

The novel is set in three primary time
periods—present day, the late 1960's,
and ancient Mesopotamia. The
mysterious narrator of the story also
sprinkles in occasional "Artifacts" that
hinge around key moments in human
history, bridging past and present.

Most notable about the novel is the
unsuspecting love story that contrasts
the staggering brutalities committed by
man. Readers have become enthralled
with the love letters latent across time,
desperately awaiting the recipient to
embark upon his destiny.

The Final Book: Gods eerily reflects a
modern disposition toward the current
state of society and politics; showing
that little has changed since man
began ruling over one another.
However, the novel attempts to provide
solutions using examples of the human
condition and brushstrokes of
philosophy—ultimately relying on you
to be the catalyst of change!

Hammond is available for interviews
and appearances. Please contact Surf
Star Media for booking.
